Why Digital Marketing?

Booming Industry in 2025

The digital marketing industry in India is projected to reach **\$160 Billion** by 2025. With over 900 million internet users, the demand for skilled marketers is at an all-time high.

Don't miss the wave. Position yourself for a career with massive growth potential.

The Forecasted Global Market Size of Digital Marketing

| Why Choose Qtree Technologies?

- ✓ **10+ Years of Excellence:** A decade of trust and proven results in Coimbatore.
- ✓ **Strong Student Base:** Highly recommended by thousands of alumni.
- ✓ **Industry Recognized:** Known for producing job-ready professionals, not just certificate holders.
- ✓ **No. 1 Institute:** Rated highly for practical training quality.

| The Problem Vs Our Solution

Other Institutes

Most courses are 90% theory and 10% outdated demos. You leave with a certificate but zero confidence to execute real campaigns.

The Qtree Way

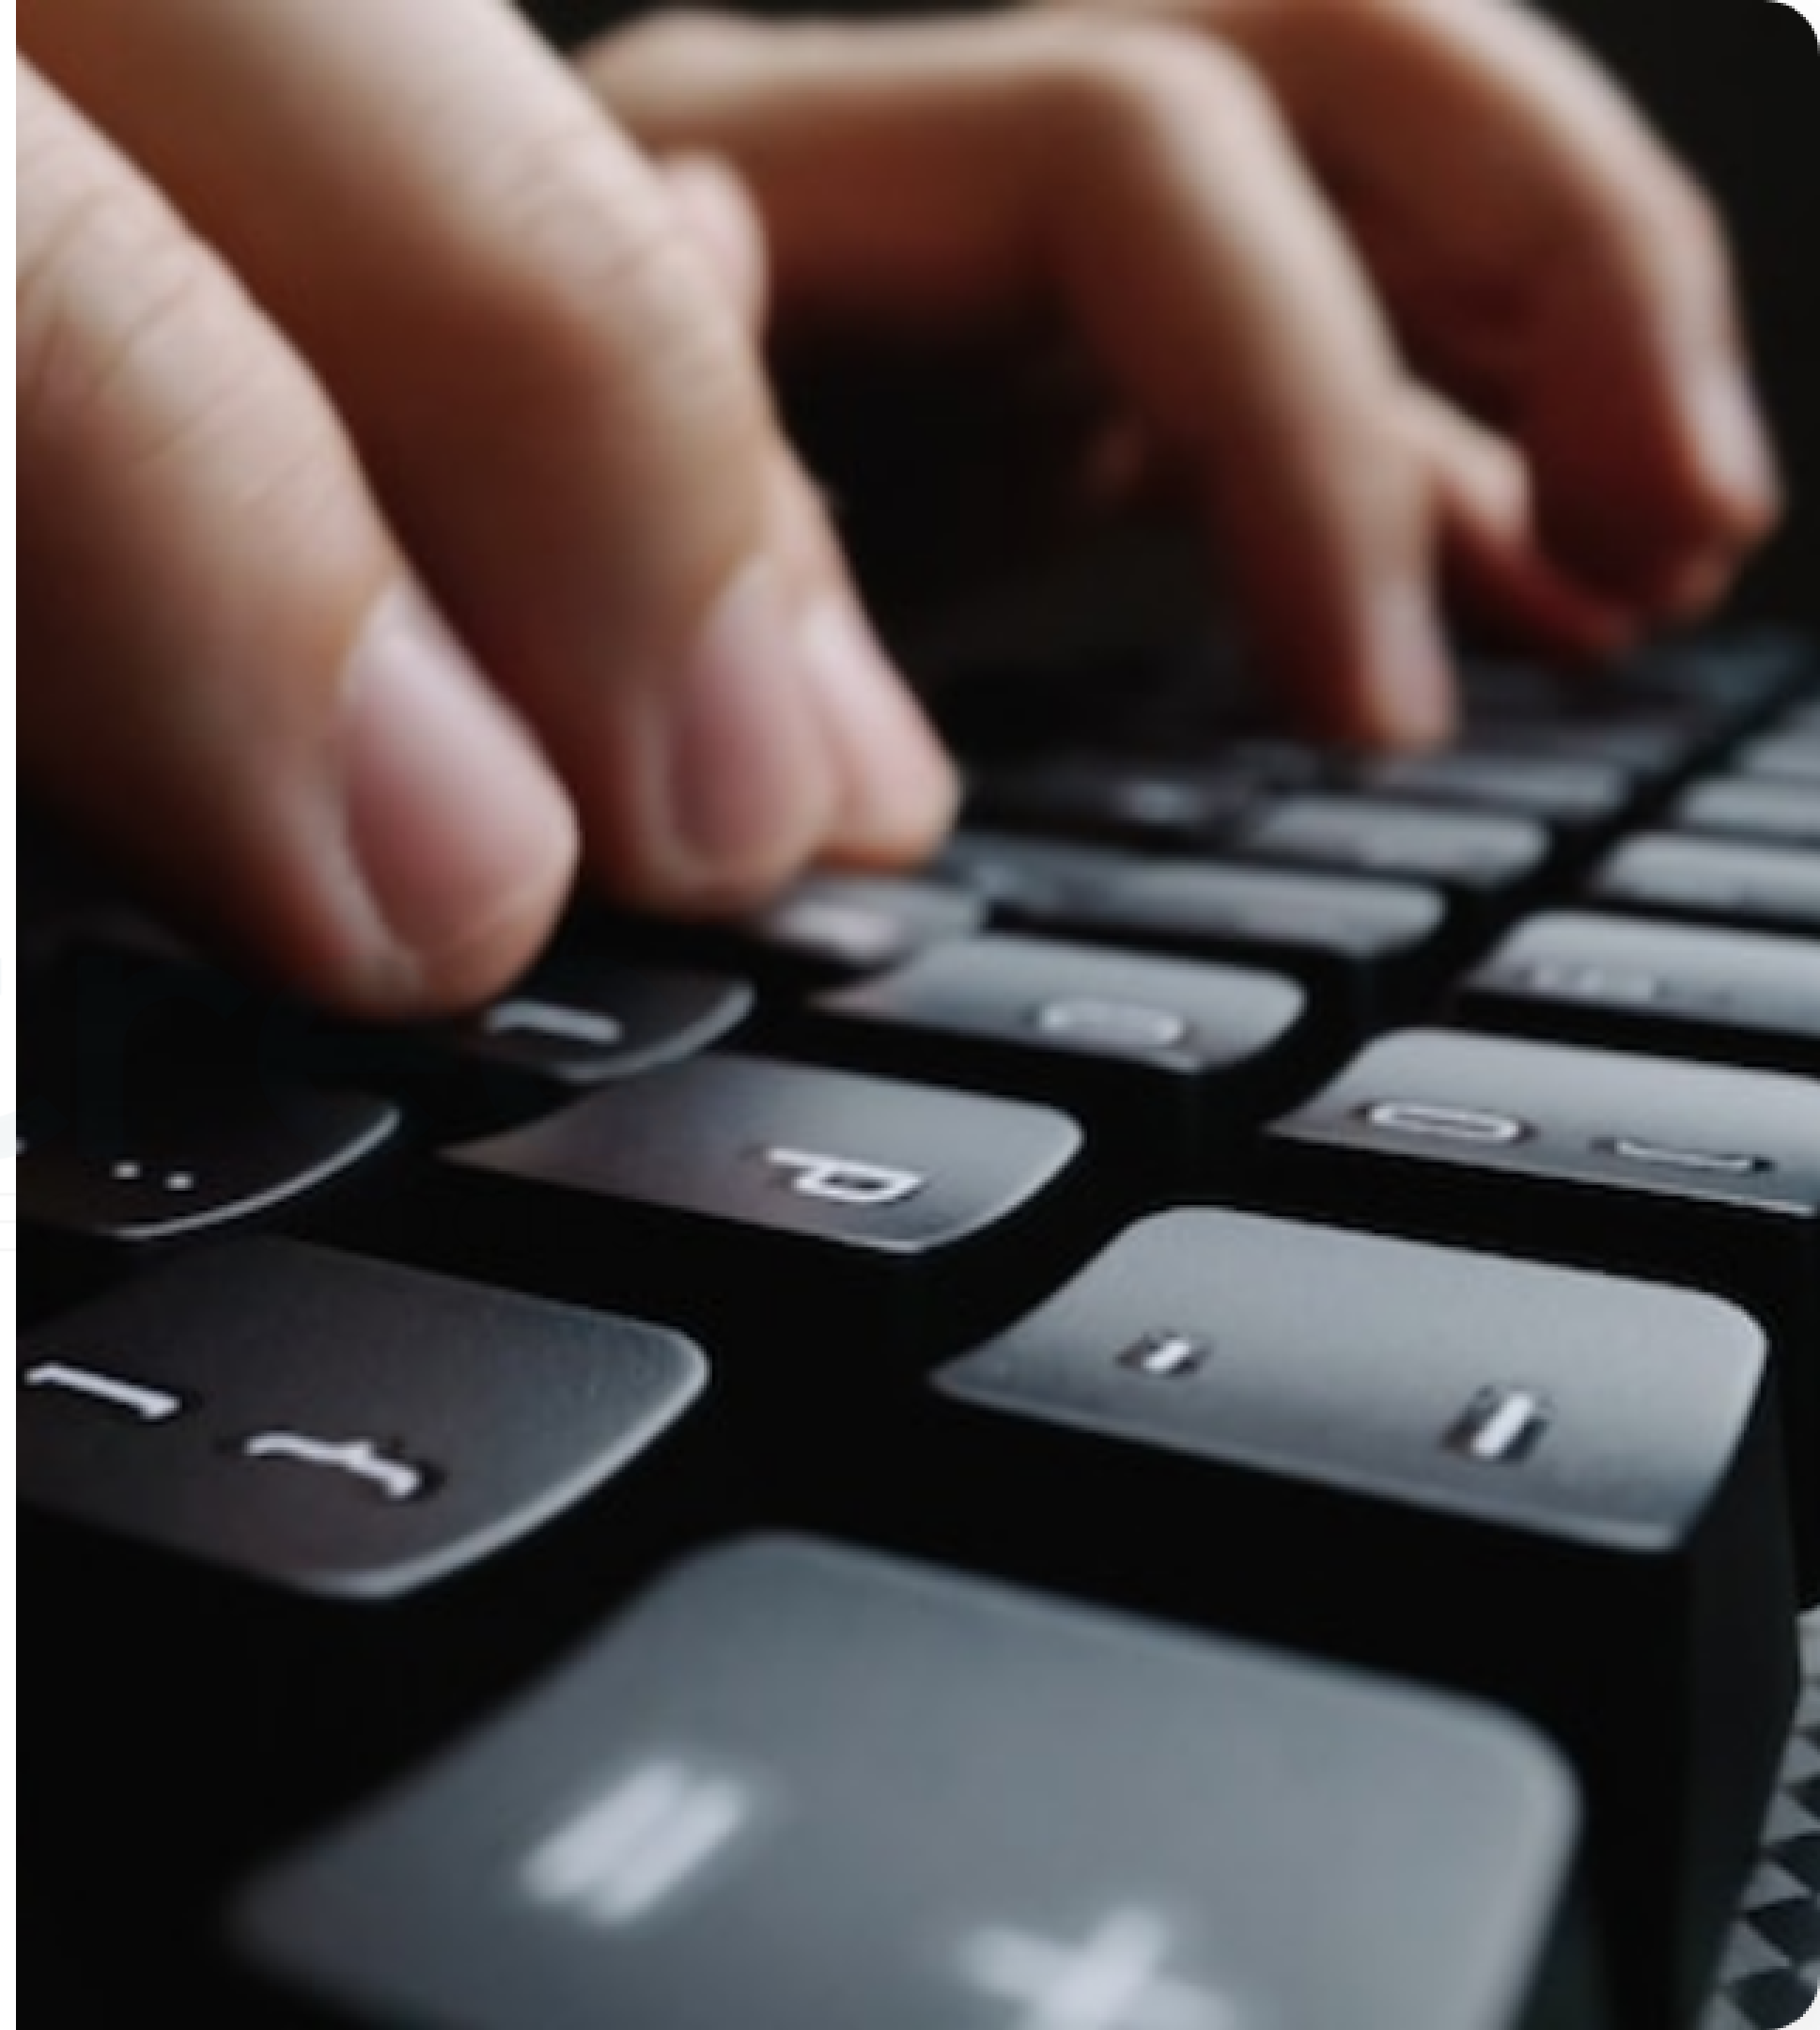

Practical-First Approach. We limit theory to just 2 hours. The rest of the course is entirely hands-on, working on live projects from Day 1.

| Hands-On **Mastery**

From Day 1, You Work.

You won't just watch; you will do. Our curriculum is designed to make you build your own brand from scratch.

By the time you graduate, you won't just have a resume; you'll have a **live portfolio** of working campaigns and a personal brand presence.

| Build Your Own Brand

- 🔑 **Launch Your Identity:** We teach you how to create and market *yourself* or your business idea.
- 📦 **Full Stack Marketing:** Implement SEO, Social Media, and Ads on your own live project.
- 📈 **Real Growth:** See real-time analytics and results as you learn.
- 📁 **Portfolio Ready:** Walk into interviews with a proven track record of your own success.

| Expert **Trainer** (Balaganeshen M)

Director, Skillquantam Pvt Ltd

Experience & Credentials:

- > Former Digital Marketing Manager at **RK ecran**
 - > Ex-SEO Analyst at **123Coimbatore**
 - > Founder of **Siru Kural**
 - > Business Partner, Multiverse Marketing Solutions
